Position Summary

The Home Care Aide provides a variety of home care services to enhance the capacity of household members to attain or maintain independence during stress or crisis.

Essential Functions

- Plans daily performance of required tasks in order to meet the needs of client by considering his/her priorities, lifestyle, plan of care and time schedule established by the supervisor
- Helps clients by performing and /or teaching tasks, such as housekeeping, meal preparation, respite care, and household management to maintain a clean, healthy environment
- Provides protective services intended to stabilize a child or adult's residential environment and alleviate or prevent abuse or neglects by modeling/teaching appropriate behavior and reporting suspect or observed incidents of abuse or neglect to the supervisor
- Serves as a role model for successful parenting to convey techniques for use by overwhelmed parent and to encourage changes in behavior by demonstrating self-sufficiency and self-esteem. Provides emotional support and understanding to clients and families in crisis by being an active listener and providing encouragement to help lessen stress
- Provides care for ill, handicapped or dependent child or adult to allow the regular caretaker a period of respite from usual responsibilities including, but not limited to, bathing, toileting, skin, mouth care, shampoos, care of catheters, recording of vital signs and observing medication regiment under professional guidance
- Promotes and instructs good eating habits by planning, purchasing, preparing and serving nutritious, well balanced and attractive foods in accordance with client's preferences and known diet restrictions

Home Care Aide

Job Description

- Maintains contact with supervisor to ensure that appropriate care and services are rendered by reporting changes in client's health, behavior and environment, submits records of activities and seeks guidance to improve level of care
- Teaches/demonstrates use of basic principles of money management to lessen client's financial burden by developing budget or involving supervisor in severe situations
- Does shopping and other errands essential to maintaining clients in home
- Helps clients to use canes, walkers, prostheses, etc. by instructing and physically working with them in order for the client to attain a higher degree of self-sufficiency and functioning under professional supervision
- Must attend twelve hours of in-services and continuously demonstrate competency and proficiency of skills
- Inform others of community programs available
- Other duties as assigned

Education, Skills and Experience

- Graduation from high school or GED or a combination of education, training and experience
- Ability to perform housekeeping, budgeting, and related healthcare tasks
- Ability to exercise sound judgment in routine and emergency situations
- Ability to instruct others in such areas as home management, meal planning and housekeeping
