What its all about!

Becoming a precinct election official can be fun and nerve wracking sometimes but in the end you help your community get it done!

The election staff will hold training classes to help guide you through the whole process and help with any questions you may have. You'll be using a software called Precinct Atlas, which is an electric poll book that will help lead you every step of the way!

This is a paid position by the auditors office

If you are interested please complete this form and mail/email ([auditor@warrencountyia.org](mailto:auditor@warrencountyia.org))

If you have any questions, please call our office at 515-961-1020
