

Warren County Engineer

The Warren County Iowa Board of Supervisors is now accepting resumes for County Engineer. Applicants must have an Iowa Professional Engineering License in Civil, Highway or Construction Engineering.

Warren County, the 11th largest county in Iowa, population 50,000+ is located within the growing Des Moines metropolitan area. The County Engineer reports to and receives direction from the Warren County Board of Supervisors. The Engineering and Secondary Roads Department has approximately forty employees.

The Engineer plans, coordinates, allocates and supervises the engineering and construction assignments associated with the maintenance and repair of the secondary road system; prepares the annual budget and administers the funds for the secondary road system in accordance with the Iowa Department of Transportation specifications; oversees the design, planning and priority setting for all road, bridge and culvert work; coordinates construction projects between county and public or private agencies on public land; supervises and inspects all construction and maintenance work and ensures its economical and efficient performance; in consultation with the Board of Supervisors, prepares the annual road construction program and establishes long-range priorities; prepares specifications for and secures bids or multiple quotations on needed equipment; prepares plans, estimates, and advertises letting information for construction projects; establishes departmental personnel policies and has ultimate authority on employment decisions; performs public relations work within the community and the state; keeps the Board of Supervisors posted on new state and federally imposed regulations affecting the operation of the department; consults with the public concerning problems or complaints.

Salary starting at \$125,000 based on experience and qualifications. Resumes and application may be sent to Lene' Moore, HR Director, 301 North Buxton Street, Suite 202, Indianola, Iowa or via email at lenem@warrencountyia.org. Resumes will be accepted until the position is filled.
